## *Daycare Membership*

Uptown Pup offers memberships for dogs who 1) pass our assessment and 2) attend daycare on the same 1-2 days every week. Memberships are billed to your credit card automatically each month, and daycare days are booked in advance by us each quarter, so you never have to worry about losing your spot!

Other membership benefits:

- Preferred placement on wait lists for boarding, grooming, training, & add'l daycare days
- Book additional daycare days at your membership rate
- Cancel up to 1 day per month for account credit; pause billing for longer absences (must notify us in writing). *Cancellations must be at least 24 hours in advance, or the day is forfeited.*
- If your pup boards or grooms on a regular daycare day, the daily rate will be applied as an account credit at checkout.

Cancel your membership at any time. Unused days are not refundable, but may be eligible for account credit in certain circumstances.
